

L-SHAPED COUNTER

8' x 12' / 12' x 8'

Your kitchen layout and component totals depend on which edges of your counter either have a 4 cm finished edge or meet a wall/appliance. Edges are numbered in the image at right. All examples show standard 24" countertops with 90 degree installations.

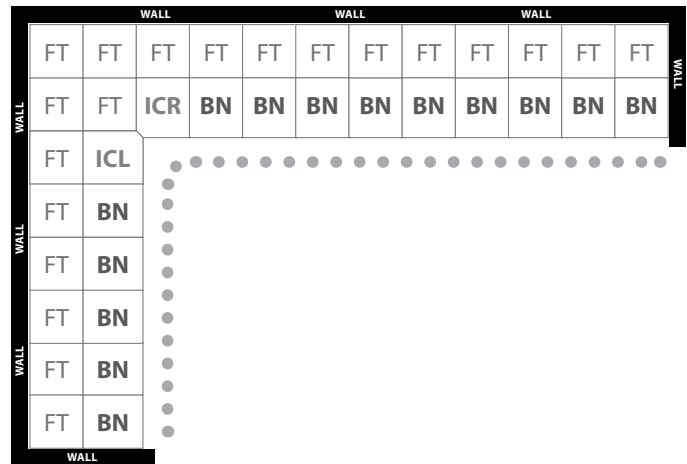

Dotted line signifies a finished 4 cm bullnose edge.

STANDARD LAYOUT (NO EDGES 1 & 2)

Only front edges are finished; all others meet a wall.
